4. If the vaccinator is of opinion that the child is in a state fit for vaccination, he shall vaccinate the child and deliver to his parent or guardian a memorandum stating the date on which the vaccination has been performed and that on which the child is to be inspected in order to ascertain the result of the operation.

5. (1) On the date of inspection given in the memorandum, the parent or guardian of every child who has been vaccinated under the last preceding bye-law, shall take or cause him to be taken to a vaccinator for inspection.

(2) If the vaccinator finds on inspection that the vaccination has been successful, he shall give to the parent or guardian a certificate to that effect.

(3) In the event of the vaccination being unsuccessful, such parent or guardian shall, if the vaccinator so direct, cause the child to be vaccinated and subsequently inspected as on the previous occasion.

6. If the vaccinator is of opinion that a child who has been three times unsuccessfully vaccinated is insusceptible of vaccination, he shall deliver to the parent or guardian of such child a certificate to that effect.

7. Any parent or guardian who procures the vaccination of an unprotected child by a vaccinator not employed by the Municipal Commissioners shall forward a certificate of successful vaccination to the President, or Health Officer, or any person authorized by the President, within fifteen days from the date of vaccination.

8. The President will accept certificates from a qualified medical practitioner as to (i) successful vaccination, (ii) the unfitness of a child for vaccination, and (iii) the insusceptibility for vaccination.

9. The President may cancel any certificate given under these bye-laws if it be proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected child, and thereupon such certificate shall no longer be valid.

10. (1) No fee or remuneration shall be accepted by a Municipal vaccinator for any vaccination performed or certificate given under these bye-laws.

But if any parent or guardian is desirous that a child should be vaccinated in his own house, the President or Health Officer, or any person duly authorized by the President in this behalf, shall, upon application by such person, direct a vaccinator to perform the vaccination as hereinbefore provided, at the residence of such person.

(2) If any child, or the parent or guardian of a child, in respect of whom the application above referred to is made is a female, who, according to the customs of the country, does not appear in public, the President or the Health Officer or any person duly authorized by the President in that behalf, shall direct a female vaccinator to visit the house of the said parent or guardian and perform the vaccination in the same manner as if the child had been presented for vaccination at a Vaccine Depôt.

11. If the President or the Health Officer or any person authorized by the President in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or the occupant of the house in the absence of the parent or guardian there to produce for inspection between 6 A.M. and 6 P.M., all the children in the house or under his care, and to state their age, parentage and place of birth and the duration of their residence in the City; and he shall, if on such requisition the occupant of the house or the parent or guardian refuse to produce such children for inspection, or if, after inspection the fact is proved to his satisfaction that any child is unprotected, forthwith deliver to such parent or guardian, or caused to be affixed to his house, a notice requiring that the child be vaccinated within fifteen days at a time and place to be specified in the said notice. The person to whom the notice above referred to is given shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is either unfit for, or insusceptible of, vaccination.

12. (1) Any person who, in contravention of the provisions of these bye-laws—

(a) neglects without reasonable excuse to take or cause a child to be vaccinated, or after vaccination to be inspected, on a date to be prescribed by the vaccinator,

(b) neglects to forward a certificate of successful vaccination under bye-law 7,

(c) refuses to give information, or wilfully gives false information required by bye-law 11 regarding an unprotected child, or neglects to comply with the notice under the same bye-law;

(2) Any vaccinator who, by a careless operation or by the use of lymph which he has reason to believe is impure, injures the health of a child or refuses or neglects to grant to the parent or guardian of any child any certificate which he is entitled to receive from him; and

(3) Any Municipal vaccinator, who receives any remuneration for vaccinating a child or for granting a certificate,

shall be liable on conviction before a Magistrate to a fine which may extend to twenty rupees.
